## Description

Head back to Vanessa's Manor in the first Creator DLC release for A Hat in Time.

Snatcher is tasking you with collecting Crowns from Queen Vanessa's Manor in this deadly game of tag! Collect the crowns and escape the clutches of your fallen peers. Fail to evade your peers, and you'll become one of them and need to collect the souls of the living for Vanessa!

Collect crowns and souls to obtain new unlockable cosmetics including hats, dyes, and even a new outfit!

**IMPORTANT:** This DLC is multiplayer-only and requires an online connection to connect to other players.

## Features

- The first online party game mode
- A New Map to discover
- Online Multiplayer
- New collectable cosmetics
- New Stickers

## Gears for Breakfast

Gears for Breakfast began as a small team setting out to make a game inspired by the games we grew up with.

Our mission is to produce unique and captivating experiences to any person who plays a game from Gears for Breakfast. We are a global company in the truest sense of the word, with members working from across the world. This collection of skill and talent brings us perspectives from a variety of cultures and backgrounds.
